2005 – 2007	Chair, Scripps College Institutional Review Board.
2007	Presenter, Family Weekend.

Professional Service

2022 – present.	Member National Institute of Justice Review Panel.
2019 – Present	Editorial Board, Journal of Elder Abuse and Neglect.
2018 – Present	Editorial Board, Journal of Behavioral Decision-Making.
2015 – Present	Reviewer, National Science Foundation, Decision-Science.
2006 – 2012	Appointed Member, Joint APA-ABA Working Group on Capacity Issues.
2010 – 2016	Editorial Board, APA Journal *EMOTION.*
2008 – 2010	Member, National Institutes of Health Review Panel, NIA-S.
2009	Chair, National Institutes of Health Special Emphasis Panel.
2011	Member, NIH Specialty Review Panel.
2012	Member, NIH Affective Decision-Making Study Section.

Reviewer

Journals (ad hoc)	*Psychology & Aging, Journal of Gerontology, Journal of the American Geriatrics Society (JAGS), Health Psychology, Journal of Behavioral Decision-Making, Journal of the International Neuropsychological Society, Alzheimer Disease and Associated Disorders, Journal of Experimental Social Psychology, Brain Imaging and Behavior*
Grants (ad hoc)	National Science Foundation (Decision-Making Division), National Institute of Justice
Guest Editor	*Special Issue: Cognitive and Applied Aging. British Journal of Developmental Psychology. 2020.*

Grant Support

Wood, Stacey (Principal Investigator) and Liu, Marian. Susceptibility to Mass Market Scams in the Frail Elderly. Borchard Foundation. Support Years 1/19-1/20. Total Award $20,000.

Wood, Stacey (Principal Investigator). Financial Capacity and Older Adults. California Foundation. Support Years 8/15-8/17. Total Award $12,000.

Wood, Stacey (Principal Investigator). Identification of Risk and Preventative Factors for Financial Elder Exploitation. Department of Justice (DOJ). Support Years 9/13-7/16. Total Award $136,290.

Wood, Stacey & Williams, Sarah* (Co-Principal Investigators). The Impact of Financial Literacy on Health, Wealth and Happiness in Older Adults. Mellon Foundation. Support Years 6/14-12/14. Total Award $7,800.

Wood, Stacey & Kitada, Laurel* (Co-Principal Investigators). The Impact of Education and Community Involvement on Risk for Financial Exploitation Among Community Dwelling Adults. Mellon Foundation. Support Years 6/14-12/14. Total Award $6,700.

Wood, Stacey (Principal Investigator). Development of a Laboratory Model for Financial Elder Exploitation. Borchard Foundation. Support Years 1/13-12/13. Total Award $20,000.

Wood, Stacey (Co-Principal Investigator). "MRI: Acquisition of a High-Density Electrophysiology Laboratory for Intercollegiate Research and Training in Cognitive Neuroscience" (Alan Hartley, Principal Investigator.), NSF BCS-1039791, Major Research Instrumentation Program: Instrument Acquisition or Development. Support Years 7/10-7/12. Total costs $411,008.

Wood, Stacey (Principal Investigator on subcontract to Scripps). Manacled Competition: Limiting Health Insurance Choices for the Elderly. (Principal Investigators Yaniv Hanoch & Tom Rice, UCLA). Robert Wood Johnson Foundation. Support Years 5/06-5/10. Total Award $100,000.

Wood, Stacey (Co-Principal Investigator with Scripps student Lauren Moneta). Behavioral and Neurophysiological Correlates of Risk Behavior. Mellon Foundation. Support Years 3/05-3/06. Total Award $5,000.

Wood, Stacey (Co-Principal Investigator with Scripps student Lauren Moneta). Affective Forecasting Across the Lifespan. Mellon Foundation. Support Years 3/05-3/06. Total Award $5, 000.

Wood, Stacey (Principal Investigator). Cognitive and Social Aspects of Decision-Making. (NIH/NIA R15 AG021442-01). Support Years 10/03-10/05. Total Award $136,750. This award is only given to those whose primary mission is training undergraduates.

Wood, Stacey (Co-Investigator). Limited Guardianship to Maximize Independence of Elders: A Review of Law and Practice. (Principal Investigator – Jennifer Moye, Ph.D. Harvard University) Farnsworth Foundation. Support years 7/04-7/06. Total Award $80,000.

Wood, Stacey (Principal Investigator). The Role of Emotion on Decision-Making in Older Adults. University of Colorado, Colorado Springs Committee on Research and Creative Works. Support years 7/03-6/04. Total Award $4,660.

Wood, Stacey (Principal Investigator). Assessing the Risk for Abuse and Neglect in Assisted Living Facilities. John Randolph Haynes and Dora Haynes Foundation. Support Years 3/00-3/01. Total Award $10,000.

Wood, Stacey (Principal Investigator). Detection of Depression in Nursing Home Residents. California Department of Health Services. Support Years 7/98-6/01. Total Award $125,000; part of Alzheimer's Disease Research Centers of California (PI Cummings).

Wood, Stacey (Principal Investigator). Neuroscience on the WEB. Mellon Foundation. Support Years 1/99-12/00. Total Award $15,000.

Wood, Stacey (Principal Investigator). Information-Processing Anomalies and Functional Implications in HIV-1 Infection. (NIH-NRSA 1F32AI097969-01). Support Years 10/96-10/97. Total Award $25,000. Award declined.

Wood, Stacey (Principal Investigator). Neurobehavioral Disturbances in Nursing Home Residents: Economics, Occupational Disruption, and Clinical Correlates. Pfizer Pharmaceuticals. Support Years 1/97-12/97. Total Award $80,000.

Wood, Stacey (Co-Investigator, Principal Investigator Jeffrey L. Cummings, MD) The Effect of Aricept on Cognition and Behavior in Nursing Home Residents with Alzheimer's Disease. Pfizer Pharmaceuticals. Support Years 8/96-3/98. Total Award $100,000.

Wood, Stacey (Co-Investigator, Principal Investigator Jeffrey L. Cummings, MD) The Effect of Exelon on Behavioral Disturbances in Moderately to Severely Impaired Alzheimer's Patient's at a Nursing Home Setting. Novartis Pharmaceuticals. Support Years 11/96-6/99. Total Award $70,000.

Wood, Stacey (Co-Investigator, Principal Investigator Jeffrey L. Cummings, MD) Olanzapine Treatment for Psychopathology and Agitation in Alzheimer's Disease in a Residential Care Facility. Eli Lilly Pharmaceuticals. Support Years 1/97-1/98. Total Award $50,000.

Presentations

Jawadi, S., Hengerer, D., Wood, S., Matejka, J.*, Lamkin, A.*, Dileep, A.*, Ahn, N.*, Stitt, S.D.*, & Zhao, J.* (July 2024). *Working Memory as a Potential Mediator of the Positive Correlation between Bullshit Receptivity and Scam Susceptibility*. Poster presented at the Global Neuropsychology Conference, Porto, Portgual.

Jawadi, S., Hengerer, D., Wood, S., Zhao, J.*, Dileep, A.*, Matejka, J.*, Ahn, N.*, & Lamkin, A.* (May 2024). *I CALL BULLSHIT! Working Memory As a Predictor of Bullshit Receptivity and Scam Susceptibility*. Poster presented at the Association for Psychological Science Conference, San Francisco, CA.

Jawadi, S., Hengerer, D., Lak, H.*, Zhao, J.*, Dileep, A.*, James, L., Wood, S., & Abrams, L. (April 2023). *"Abstract Thought Leads to Unparalleled Beauty": A Study on Bullshit Receptivity across the Adult Lifespan.* Poster presented at the Western Psychological Association Conference, Riverside, CA.

Liles, S.*, Dileep, A.*, Zhao, J.*, Wood, S., & Hengerer, D. (April 2022). *Covid-19, Emotional Distress, and Fraud*. Poster presented at the Western Psychological Association Conference, Portland, OR.

Wood, S.A., Hengerer, D.R., Xi, P.M.*, Liu, P.*, Zeichick, K.*, Park, P.*, Liles, S.*, Dewan, V.*, & Muskat, M.* (October 2020). *Susceptibility to Lottery Scams across the Lifespan*. Poster presented at the Western Psychology Association Conference. Virtual Conference due to pandemic.

Wood, Stacey. *Non-economic costs of fraud.* International Academy of Law and Mental Health. Lyon, France. July 6, 2022.

Liu, P., Wood, S., Wang, A., Hanoch, Y., Hengerer, D., & Muskat, M. (November 2021). *Risk factors of financial exploitation versus scam.* Paper presentation at the Gerontological Society of America's 2021 Annual Scientific Meeting, Phoenix, AZ.

Cook, S. K. L., Muskat, M. L., Wang, A., Wood, S., & Liu, P. (April 2020). *Breaking down resilience for mental health nursing.* Poster presented at the Midwest Nursing Research Society's 44th Annual Research Conference, Schaumburg, IL.

Muskat, M. L., Cook, S. K. L., Wang, A., Wood, S., & Liu, P. (April 2020). *The impact of Postoperative Cognitive Dysfunction on financial decision making.* Poster presented at the Midwest Nursing Research Society's 44th Annual Research Conference, Schaumburg, IL.

Wood, S. and Escobedo, R. (August 28, 2018). *Community based capacity assessments: Lessons learned*. Paper presented at NAPSA, Anaheim, CA.

Wood, S., Klapatch, L.*, Xi, P.*, & Liu, P. (July 18, 2017). *Age effects on consumer's evaluation of risk and benefits in sweepstakes scams.* Paper presents at the 21st IAGG World Congress of Gerontology and Geriatrics, San Francisco, CA.

Wood, S., Liu, M. Hanoch, Y., Xi, P., Joyce, C.*, Rolison, J. & Klapatch, L.* (November 22, 2016). *Consumer's evaluation of risk in sweepstakes scams*. Paper presented at the Society for Judgment and Decision Making, Boston, MA.

Rolison, J., Hanoch, Y., & Wood, S. (2015). *Older adults risk taking*. ICPS, Amsterdam.

Hanoch, Y., Rolison, J., & Wood, S. (2014). *Risk taking and retirement saving across the lifespan*. University of Zurich, Department of Psychology.

Liu, P., Wood, S., & Williams, S.* (November 2013). *It is not just getting old: Identifying risk and protective factors of elder financial exploitation*. Paper presented at the Gerontological Society of America's 66th Annual Meeting, New Orleans, LA.

Wood, S., Liu, P., Williams, S., & Midden, A. (February 2013). *Neurocognitive risk factors for elder financial exploitation.* Poster session presented at the International Neuropsychological Society's 41st Annual Meeting, Waikoloa, HI.

Wood, S. & Liu, P. (November 18, 2012). *Use of the OAFEM in a community-based sample*. Symposium at the Gerontological Society of America's 65th Annual Meeting, San Diego, CA.

Wood, S. & Liu, P. (November 2011). *Use of a self-report measure of financial exploitation in a community sample.* Poster session presented at the Gerontological Society of America's 64th Annual Meeting, Boston, MA.

Liu, P., Wood, S., O'Bryan, M., & Huang, H. (July 2011). *Positive empathy: A new research construct in adult development.* Poster session presented at 2nd World Congress on Positive Psychology, Philadelphia, PA.

Silverman, A. L., Buhaly, B., Liu, P., Hanoch, Y., & Wood, S. (April 2011). *The effects of financial literacy and numeracy on financial and time planning across lifespan*. Poster session presented at Western Psychological Association Convention, Los Angeles, CA.

Wood, S. & Liu, P. (November 2011). *Use of a self-report measure of financial exploitation in a community sample.* Poster session presented at the Gerontological Society of America's 64th Annual Meeting, Boston, MA.

Liu, P**.,** O'Bryan, M., Hanoch, Y., & Wood, S. (November 2011). *The influence of financial literacy and numeracy on the use of money and time across lifespan*. Poster session presented at the Gerontological Society of America's 64th Annual Meeting, Boston, MA.

Hanoch, Y., Wood, S., Barnes**,** Liu, P., & Rice, T. (July 2011). *Choosing the right insurance plan: The effects of age, choice size and numeracy.* IAREP/SABE/ICABEEP conference, Exeter, UK.

Hanoch, Y. Wood, S., Barnes, A, Liu, P**.**, & Rice, T. (May 2011). *Age, choice, and strategy selection: Searching for the right Medicare prescription drug plan*. International Conference on Behavioral Decision Making, IDC, Israel.

Barnes, A.J.**,** Rice, T., Hanoch, Y., Wood, S., & Liu, P.J. (2011). *Too much choice? Number of drug plans and Medicare Part D decisions*. AARP Policy Roundtable.

Barnes, A.J.**,** Rice, T., Hanoch, Y., Wood, S., & Liu, P.J. (2011). *One fish, two fish, red fish, blue fish: Effects of brand names, price frames, and choice set size in Medicare Part D insurance plan decisions."* Virginia Commonwealth University, Public Health Seminar Series.

Liu, P. & Wood, S. (2010). *Do older adults prefer less choice? The influence of choice set size and relevance of importance on preferred numbers of options.* Poster session presented at Cognitive Aging Conference, Atlanta, GA.

Barnes, A.J., Rice, T., Hanoch, Y., Wood, S., & Liu, P. J. (June 2010). *Why more may be less: Decision strategies as choice environments become more complex.* Symposium at the 3rd Biennial Conference of the American Society of Health Economists, Ithaca, New York.

Wood, S., Hanoch, Y., Rice, T., Barnes, A., Liu, P. J.*, Cummings, J., & Bhattacharya, C.* (April 17, 2010). *Numeracy and Medicare Part D: The importance of choice & literacy for numbers in optimizing decision-making for Medicare's prescription drug plan.* Paper presented at the 10th meeting of the Cognitive Aging Conference.

Wood, S, Rakela, B, Navarro, A., Fujikawa, K., Bernatz, S., Wilber, K., & Schneider, D. (March 20, 2010). *Neuropsychological data as clinical evidence at the Los Angeles County Elder Abuse Forensic Center.* Part of the National Institute of Justice (NIJ) sponsored panel entitled

"Memory, Capacity and Reliability Issues in Elder Abuse Prosecution and Research", presented at the American Psychology and Law Society Conference, Vancouver, Canada.

Wood, S., Hanoch, Y., Barnes, A.J., Cummings, J. & Rice, T. (2010). *Choosing the right Medicare drug plan: The effects of age, choice size, and numeracy.* Cognitive Aging, Atlanta, USA.

Wood, S., Hanoch, Y., Eriksen, W., Schmidt, A. Bhattacharya, C., and Liu, M. (2009). *Medicare Part D: Choice size and decision-making.* Presented at the 65th annual meeting of the Gerontological Society of America.

Wood, S., Tanius, B., Hanoch, Y., & Rice, T. (2008). *Optimal choice in medical decision making in older adults: The role of numeracy and speed, as part of the symposium: Predicting real-world functioning in at-risk populations: The roles of everyday problem solving and decision-making competence.* Presented at the 36th annual International Neuropsychological Society, Waikaloa, HI.

Hanoch, Y., Rice, T., Cummings, J., Wood, S., & Tanius, B. (2008). *Does too much choice reduce the quality of older adult's decisions? An experiment with prescription drug plans.* Academy Health's Annual Research Meeting, Washington DC.

Rice, T., Hanoch, Y., Tanius, B.E., & Wood, S. (July 10, 2007). *Can the elderly have too much choice? Insurance for prescription drugs and long-term care*. Presented at the Biennial World Congress of the International Health Economics Association, Copenhagen, Denmark.

Wood, S. & Kisley, M. (November 2006). *The negativity bias is eliminated in older adults: Evidence from ERP.* Paper in G. Larkin, J. Michels, & L. Carstensen (Chairs) "Affective neuroscience of aging." Invited symposium at the annual meeting of the Gerontological Society of America, Dallas, TX.

Wood, S., Kisley, M., & Burrows, C. (April 2006). *The negativity bias is eliminated in older adults.* Presented at the Cognitive Aging Conference, Atlanta, USA.

Wood, S., Busemeyer, J., Koling, A., Cox, C., & Davis, H. (February 2006). *Adaptive decision-making in older adults.* Presented at 34rd annual meeting of the International Neuropsychological Society. Boston, MA.

Jouk, A.*, Wood, S., Vanderloop, A.*, & Moneta, L.* (January 25, 2006). *Does age bring affective wisdom?* Presented at the First Annual Judgment and Decision-Making Pre-Conference, Palm Springs, CA.

Wood, S. and Kisley, M. (2005). *The negativity bias is eliminated in older adults.* Presented at 33rd annual meeting of the International Neuropsychological Society in St. Louis, USA.

Wood, S. (2004). *What can cognitive aging add to our understanding of capacity?* As part of symposium Capacity to Consent to Treatment: Cognitive Predictors of Capacity in Older Adults with Dementia. Presented at 57th annual meeting of the Gerontological Society of America.

Wood, S. (2004). *Presenting the complex capacity client in court.* As part of symposium: Capacity Issues: From the Perspectives of Geropsychology and Rehabilitation Psychology (Shikagi). Presented at 2004 Annual Meeting of the American Psychological Association.

Wood, S. (2004). *Involving undergraduates at a non-traditional college in research using the AREA grant mechanism.* As part of symposium: Engaging undergraduate faculty and students in Aging research (Mehrotra / NIA). Presented at 2004 Annual Meeting of the American Psychological Association.

Wood, S., Busemeyer, J., Koling, A.*, Cox, C.*, & Davis, H. (April 2004). *The influence of emotion on decision making in older adults: Application of an expected valence model.* Presented at the Cognitive Aging Conference, Atlanta, USA.

Wood, S., James, L., Cox, C.*, Miles, M.*, & Harrison, J.* (April 2004) *Use of the availability heuristic in older adults: The letter R paradigm.* Presented at the Cognitive Aging Conference, Atlanta, USA.

Stephens, M.*, Wood, S., & Cox, C.* (November 2003). *The use of the anchoring heuristic in older adults.* Presented at the 56th annual meeting of the Gerontological Society of America, San Diego.

Tamburich, R.*, Wood, S., Mincic, M.*, & Cox, C.* (November 2003). *The impact of a stereotype trigger on memory recall in older adults.* Presented at the 56th annual meeting of the Gerontological Society of America, San Diego.

Wood, S., Davis, H.*, Bustros, E.* (February 2003). *Decision-making in older adults: An examination of the gambling task.* Presented at the 31st annual meeting of the International Neuropsychological Society, Honolulu.

Wood, S., Bustros, E.*, Keller, F., & Davis, H. (April 2002). *An examination of the gambling task in older adults.* Presented at the Cognitive Aging Conference, Atlanta.

Wood, S., Stephens, M.*, & Boling, A.* (November 17, 2001). *A staff intervention to reduce abuse and neglect in the nursing home.* Presented at the Gerontological Society of America, Chicago.

Sloboda, L.*, & Wood, S. (November 2001). *The relationship between exercise and depression in community dwelling adults.* Presented at the Gerontological Society of America, Chicago.

Pamparo, V.*, & Wood, S. (November 2001). *The use of Montessori tasks to decrease agitation in Alzheimer's disease in assisted living.* Presented at the 54th annual meeting of the Gerontological Society of America, Chicago.

Boling, A.*, & Wood, S. (November 2001). *Religious maturity and depression in long-term care*. Presented at the 54th annual meeting of the Gerontological Society of America, Chicago.

Stephens, M.*, & Wood, S. (November 2001). *Assessing residents for abuse and neglect in the nursing home.* Presented at the 54th annual meeting of the Gerontological Society of America, Chicago.

Wood, S., & Stephens, M.* (May 2001). *Improving education in the nursing home setting.* Paper presented at 40th conference sponsored by Consortium for Learning and Research in Aging (CLARIA) and California Association of Homes and Services for the Aging, Lake Tahoe, CA.

Wood, S. Schnelle, B.*, Cummings, J. L., Shimanova, M.*, Stephens, M.*, & Nediliski, A.* (November 2000). *The use of video vignettes to improve the detection of mood symptoms using the MDS.* Paper presented to Gerontological Society of America, Washington D.C.

Wood, S., Cummings, J. Schnelle, B.*, & Ahmed Z.* (August 2000). *A training intervention to improve the treatment of depression.* Paper presented at American Psychological Association, Washington, D.C.

Wood, S., Schnelle, J., Schnelle, B.*, & Simmons, F. (March 2000). *Improving the treatment of depression.* Paper presented at American Society on Aging, San Diego.

Wood, S. and Ahmed, Z.* (May 1999). *Detection of depression in the nursing home setting: Barriers to care.* Paper presented at 38th conference sponsored by Consortium for Learning and Research in Aging (CLARIA) and California Association of Homes and Services for the Aging, Pasadena.

Wood, S. Cummings, J. L., Schnelle, J. F., Hsu, M. A., Barclay, T.*, & Wheatley M.* (February 1998). *The Neuropsychiatric inventory: A validation study in a nursing home setting*. Paper presented at the 9th annual meeting of the American Neuropsychiatric Association, Honolulu, HI.

Wood, S. Cummings, J. L., Schnelle, J. F., & Yarema, K.* (February 1998). *Detection and treatment of depression in a demented nursing home setting.* Paper presented at the 9th annual meeting of the American Neuropsychiatric Association in Honolulu, Honolulu, HI.

Wood, S., Hinkin, C., Castellion S., & Yarema, K.* (June 1997). *Working memory deficits in HIV-1 infection.* Paper presented to the TENNET VIII (Theoretical and Experimental Neuropsychology) Conference, Montreal, Quebec.

Wood, S., Green, M. F., Hiscock, M., Breitmeyer, B., & Satz, P. (June 1997). *A comparison of visual and auditory masking at similar stimulus onset asynchronies (SOAs): Evidence for a common mechanism?* Paper presented to the International Neuropsychological Society, Bergen, Norway.

Hinkin, C., Castellion S., & Wood, S. (February 1997). *Information-processing speed in HIV-1 infection, results from a dual-task experiment.* Paper presented at the International Neuropsychological Society, Orlando, FL.

Hinkin, C., Castellion S., & Wood, S. (February 1997). *The Stroop effect in HIV-1 infection, results from Stroop RT data.* Paper presented at the International Neuropsychological Society, Orlando, FL.

Castellion, S., Hinkin, C., & Wood, S. (Februay 1997). *Apathy and HIV-1 infection: Who cares?* Paper to be presented at the International Neuropsychological Society, Orlando, FL.

Wood, S., Hiscock, M., Pearson, D., Breitmeyer, B., & Foorman, B. (August 1996). *Localization versus detection: Evidence for separate auditory pathways from a dichotic listening experiment.* Abstract presented at TENNET VII (Theoretical and Experimental Neuropsychology) Conference, Montreal, Quebec.

Wood, S., Hiscock, M., Pearson, D., Breitmeyer, B., & Foorman, B. (1996). *An examination of the lag effect, attention, and localization in dichotic listening*. Paper presented at the International Neuropsychological Society, Chicago.

Wood, S., Hiscock, M., Mortel, K. F., Breitmeyer, B., & Caroselli, J. S. (1994). *Perception and utilization of color by patients with mild to moderate Alzheimer's Disease*. Paper presented at International Neuropsychological Society, Cincinnati.

Mortel, K. F., Pavol, M., Wood, S., Meyer, J. S., & Funk, J. L. (1992). *Cerebral perfusion and cognitive outcomes compared longitudinally among Alzheimer's and multi-infarct dementia patients.* Paper presented at American Neurological Association, Seattle.

Mortel, K. F., Wood, S., Pavol, M., & Meyer, J. S. (1992). *Personal and familial risk factors among Alzheimer's and Vascular Dementia patients.* Paper presented at American Neurological Association, Seattle.

Osborne, B., Swanson, K., Wood, S., & Bjorn, K. (1989). *The effects of D1 and D2 dopamine antagonists, SCH 23390 and Sulpiride, on the locomotor behavior of rats with fornix transections.* Paper presented at Eastern Psychological Association, Boston.

Wood, S., & Osborne, B. (1989). *The effects of apomorphine on activity and exploration of rats with fornix transections*. Paper presented at the Society for Neurosciences, Phoenix.

Note: a * denotes a student co-author.

Clinical Practice

Licensed Clinical Psychologist in State of Colorado (#2557 inactive), California (#16805 active)

2015 – Present Consulting Geropsychologist: Adult Protective Services, San Bernardino.

2014 – Present Consulting Neuropsychologist: Adult Protective Services, County of Riverside; Riverside Elder Abuse Forensic Center.

Provide consultation on cases involving elder mistreatment, financial

	exploitation and dependent adults and older adults in Riverside County.
2004 – Present	Clinical Neuropsychologist in Private Practice, Claremont, CA. Specializing in assessment of decisional abilities in forensic cases (criminal, civil, & probate).
2006 – Present	Member APA / ABA working group on capacity and guardianship issues.
2007 – 2010	Associate LA County Elder Abuse Forensic Center; Consultant Bernatz Forensic Neuropsychology.
2006 – 2007	Clinical Neuropsychologist / Clinical Supervisor: Center for Aging Resources (CFAR), Pasadena, CA. Provide training and supervision for neuropsychological assessment to Psychology Interns at community based, mental health center for older adults.
2001 –2004	Clinical Neuropsychologist / Clinical Supervisor: CU Aging Center. Provide supervision for neuropsychological assessment to graduate students. Established memory disorders clinic for older adults. Private practice specializing in neuropsychological assessment of older adults, assessment of capacity, and memory disturbances.
1995 – 1997	NIMH Chief Post-Doctoral Fellow at the Neuropsychiatric Institute, University of California, Los Angeles. Director: Paul Satz, Ph.D. 2000 Hours. Licensed Clinical Psychologist in State of California (#16805).
1994 – 1995	Internship at the University of Arizona Health Sciences Center, Tucson, Arizona. Training Director: Anne M. Herring, Ph.D. 2000 Hours. Additional Supervisor: Alfred Kaszniak, Ph.D.
1992 – 1993	Transitional Learning Community, Galveston Texas. Supervisors: Karen Reed, Ph.D., and Lee Wang, Ph.D. 1000 Hours. Setting was a community re-entry post-acute rehabilitation facility with a functional approach.
1991 – 1992	Neurobehavioral Institute of Houston. Supervisors: Sigrid Rogers, Ph.D. and Walter High Jr., Ph.D. 1000 Hours. Setting was in-patient facility for acute and post-acute head-injury patients with significant behavioral disturbances.
